The Story of a Medicine.

Its name—"Golden Medical Discovery"—was suggested by one of its most important and valuable ingredients—Golden Seal root.

Nearly forty years ago, Dr. Pierce discovered that he could, by the use of pure, triple-refined glycerine, aided by a certain degree of constantly maintained heat and with the aid of apparatus and appliances designed for that purpose, extract from our most valuable native medicinal roots their curative properties much better than by the use of alcohol, so generally employed. So the now world-famed "Golden Medical Discovery" for the cure of weak stomach, indigestion, or dyspepsia, torpid liver, or biliousness and kindred derangements was first made. As it ever since has been, without a particle of alcohol in its make-up.

A glance at the full list of its ingredients, printed on every bottle wrapper, will show that it is made from the most valuable medicinal roots found growing in our American forests. All these ingredients have received the highest endorsement from the leading medical experts, both in this and in foreign countries. A little book of these endorsements has been compiled by Dr. R. V. Pierce, of Buffalo, N. Y., and will be mailed free to any one asking same by postal card, or letter addressed to the Doctor as above. From these endorsements, copied from standard medical books of all the different schools of practice, it will be found that the ingredients composing the "Golden Medical Discovery" are advised not only for the cure of the above mentioned diseases, but also for the cure of all catarrhal, bronchial and throat affections, accompanied with catarrhal discharges, hoarseness, sore throat, lingering, or hang-on-coughs, and all those wasting affections which, if not promptly and properly treated are liable to terminate in consumption. Take Dr. Pierce's Discovery in time and persevere in its use until you give a fair trial and it is not likely to disappoint. Too much must not be expected of it. It will not perform miracles. It will not cure consumption in its advanced stages. No medicine will. It will cure the affections that lead up to consumption, if taken in time.

WIRELESS TELEGRAPHY TO EUROPE.

Declaring that he intended to stay in Glace Bay, N. S., until wireless communication with Europe had been placed on a commercial basis, Guglielmo Marconi said yesterday:

"We have finally overcome all obstacles, and in about three weeks will commence a commercial transatlantic wireless service."

He stated that bad weather would not affect the service, provided the masts and poles used in the wireless system remained undamaged by lightning; that the average speed used in sending messages would be 20 words a minute, and that the rate would be 10 cents a word for ordinary commercial messages and 5 cents a word for press dispatches. This rate, he said, would be cut in two later.

The messages sent from the station at Glace Bay will be received on the other side of the Atlantic at Clifden, Ireland, where a new plant has been established. The Cornwall station will be utilized as a secondary plant.

Connecting with the wireless stations, Mr. Marconi stated the government lines in Great Britain will handle the messages for land transmission, according to contract. On this side of the ocean, he said, the company has a contract with the Canadian government which, he believes, will place the government intercolonial railway wires at its disposal, while the Canadian Pacific and Western union companies both have their lines connected with the Glace Bay station, and Mr. Marconi hopes to do business with them.

For the present the continental Morse code will be used, but if experiments show that the ordinary Morse code is better, it will be adopted. Three operators will be employed at Glace Bay at the outset, and others will be added as necessary.

During the next two or three weeks final tests will be made, and then the stations on both sides of the Atlantic will be thrown open to the public for the regular transmission of commercial wireless messages.

"We are sure of success," said Mr. Marconi. "In connection with the beginning of business there will be no formal ceremony.—We shall just have a few friends present. We sent cables to the kings of England and Italy some time ago, when we first started, and when we begin commercial work we shall do so by sending two or three messages to some of the newspapers."

Had Tetter for Thirty Years.
I have suffered with tetter for thirty years and have tried almost countless remedies with little, if any, relief. Three boxes of Chamberlain's Salve cured me. It was a torture. It breaks out a little sometimes, but nothing to what it used to be.—D. H. BEACH, Midland City, Ala. Chamberlain's Salve is for sale by W. F. Creighton & Co., and Gibson & Timberman.

A Humane Appeal.
A humane citizen of Richmond, Ind., Mr. U. D. Williams, 107 West Main St., says: "I appeal to all persons with weak lungs to take Dr. King's New Discovery, the only remedy that has helped me and fully comes up to the proprietor's recommendation." It saves more lives than all other throat and lung remedies put together. Used as a cough and cold cure the world over. Cures asthma, bronchitis, croup, whooping cough, quinsy, hoarseness, and phthisis, stops hemorrhage of the lungs and builds them up. Guaranteed by E. S. Leadbeater & Sons, druggists. 50c and \$1.00. Trial bottle free.

SUICIDE FROM STEAMER.

Mrs. Annie Cassidy, of Camden, N. J., a passenger on the American line steamer Westerland, which arrived at Philadelphia yesterday from Liverpool, committed suicide by jumping overboard while the vessel was coming up the Delaware river. The woman, it is said, was heartbroken because she had left her 12-month-old baby in Ireland. Mrs. Cassidy, who was 28 years old, went to Ireland in May to visit her mother.

The grandmother became greatly attached to the infant, and when Cassidy went to Ireland to bring his wife home several weeks ago, the grandmother pleaded to have the baby left with her for a time. Mrs. Cassidy consented, but when she had started across the ocean with her husband she mourned for the child and became morose. The steamer was proceeding up the river yesterday when Mrs. Cassidy asked her husband to go below and get some medicine for her.

Cassidy had scarcely disappeared from the deck when his wife climbed over the rail and jumped into the water. A boat was lowered and the woman was taken from the water unconscious and past resuscitation.

Stomach troubles, Heart and Kidney ailments, can be quickly corrected with a prescription known to druggists everywhere as Dr. Shoop's Restorative. The prompt and surprising relief which this remedy immediately brings is entirely due to its Restorative action upon the controlling nerves of the Stomach, etc.

A weak Stomach, causing dyspepsia, a weak Heart with palpitation of intermittent pulse, always means weak Stomach nerves or weak Heart nerves. Strengthen these inside or controlling nerves with Dr. Shoop's Restorative and see how quickly these ailments dissipate. Dr. Shoop, of Racine, Wis., will mail sample free. Write for them. A test will tell. Your health is certainly worth this simple trial. Sold by E. S. Leadbeater & Sons.

KILLED BY CYCLONE.

A cyclone, leaving death and destruction of property in its wake, passed over a portion of the Second election district of Cecil county Md., one mile south of Chesapeake City, shortly after 3 o'clock yesterday afternoon. The storm, which came from the south, struck the farm owned by Joshua Clayton, Jr., and tenanted by his son, Julius Clayton. The outbuildings, which were mostly new, were wrecked and the carriages in the buildings were also wrecked. Three colored men, who had sought shelter under the shed of the barn, started to run. When the storm was at its height, Thomas Thomas, a colored man, 45 years old, was caught up and hurled with great force against the piers of the barn and instantly killed, his neck being broken. The other men saved themselves by throwing themselves upon the ground.
